Comments and personal information regarding this vegetation management planning process are collected under the authority of the *Provincial Parks and Conservation Reserves Act* to assist MNR in making decisions and to determine further public consultation needs relating to future park management. Comments and opinions which do not constitute personal information as defined by the *Freedom of Information and Protection of Privacy Act*, will be shared within the MNR and may be included in documentation that is made available for public review. Personal information will remain confidential unless consent to disclose is obtained. However, this information may be used by the MNR to seek public input on other resource management surveys and projects. For further information regarding this Act, please contact Brian Huis, Parks Planning Specialist, at (519) 873-4617.
