# Swimming at Ferris

Swimming is not allowed at Ranney Falls or along the river in Ferris due to dangerously strong and unpredictable currents. Water release from an upstream dam can increase flow rates in seconds. The Municipality of Trent Hills operates a swimming pool and children's wading pool in Campbellford that visitors can use for a small fee. Lifeguards are on duty, showers and change facilities are available. The pool is located at the corner of Bridge and Ranney Streets and schedules are available at the Gate House.

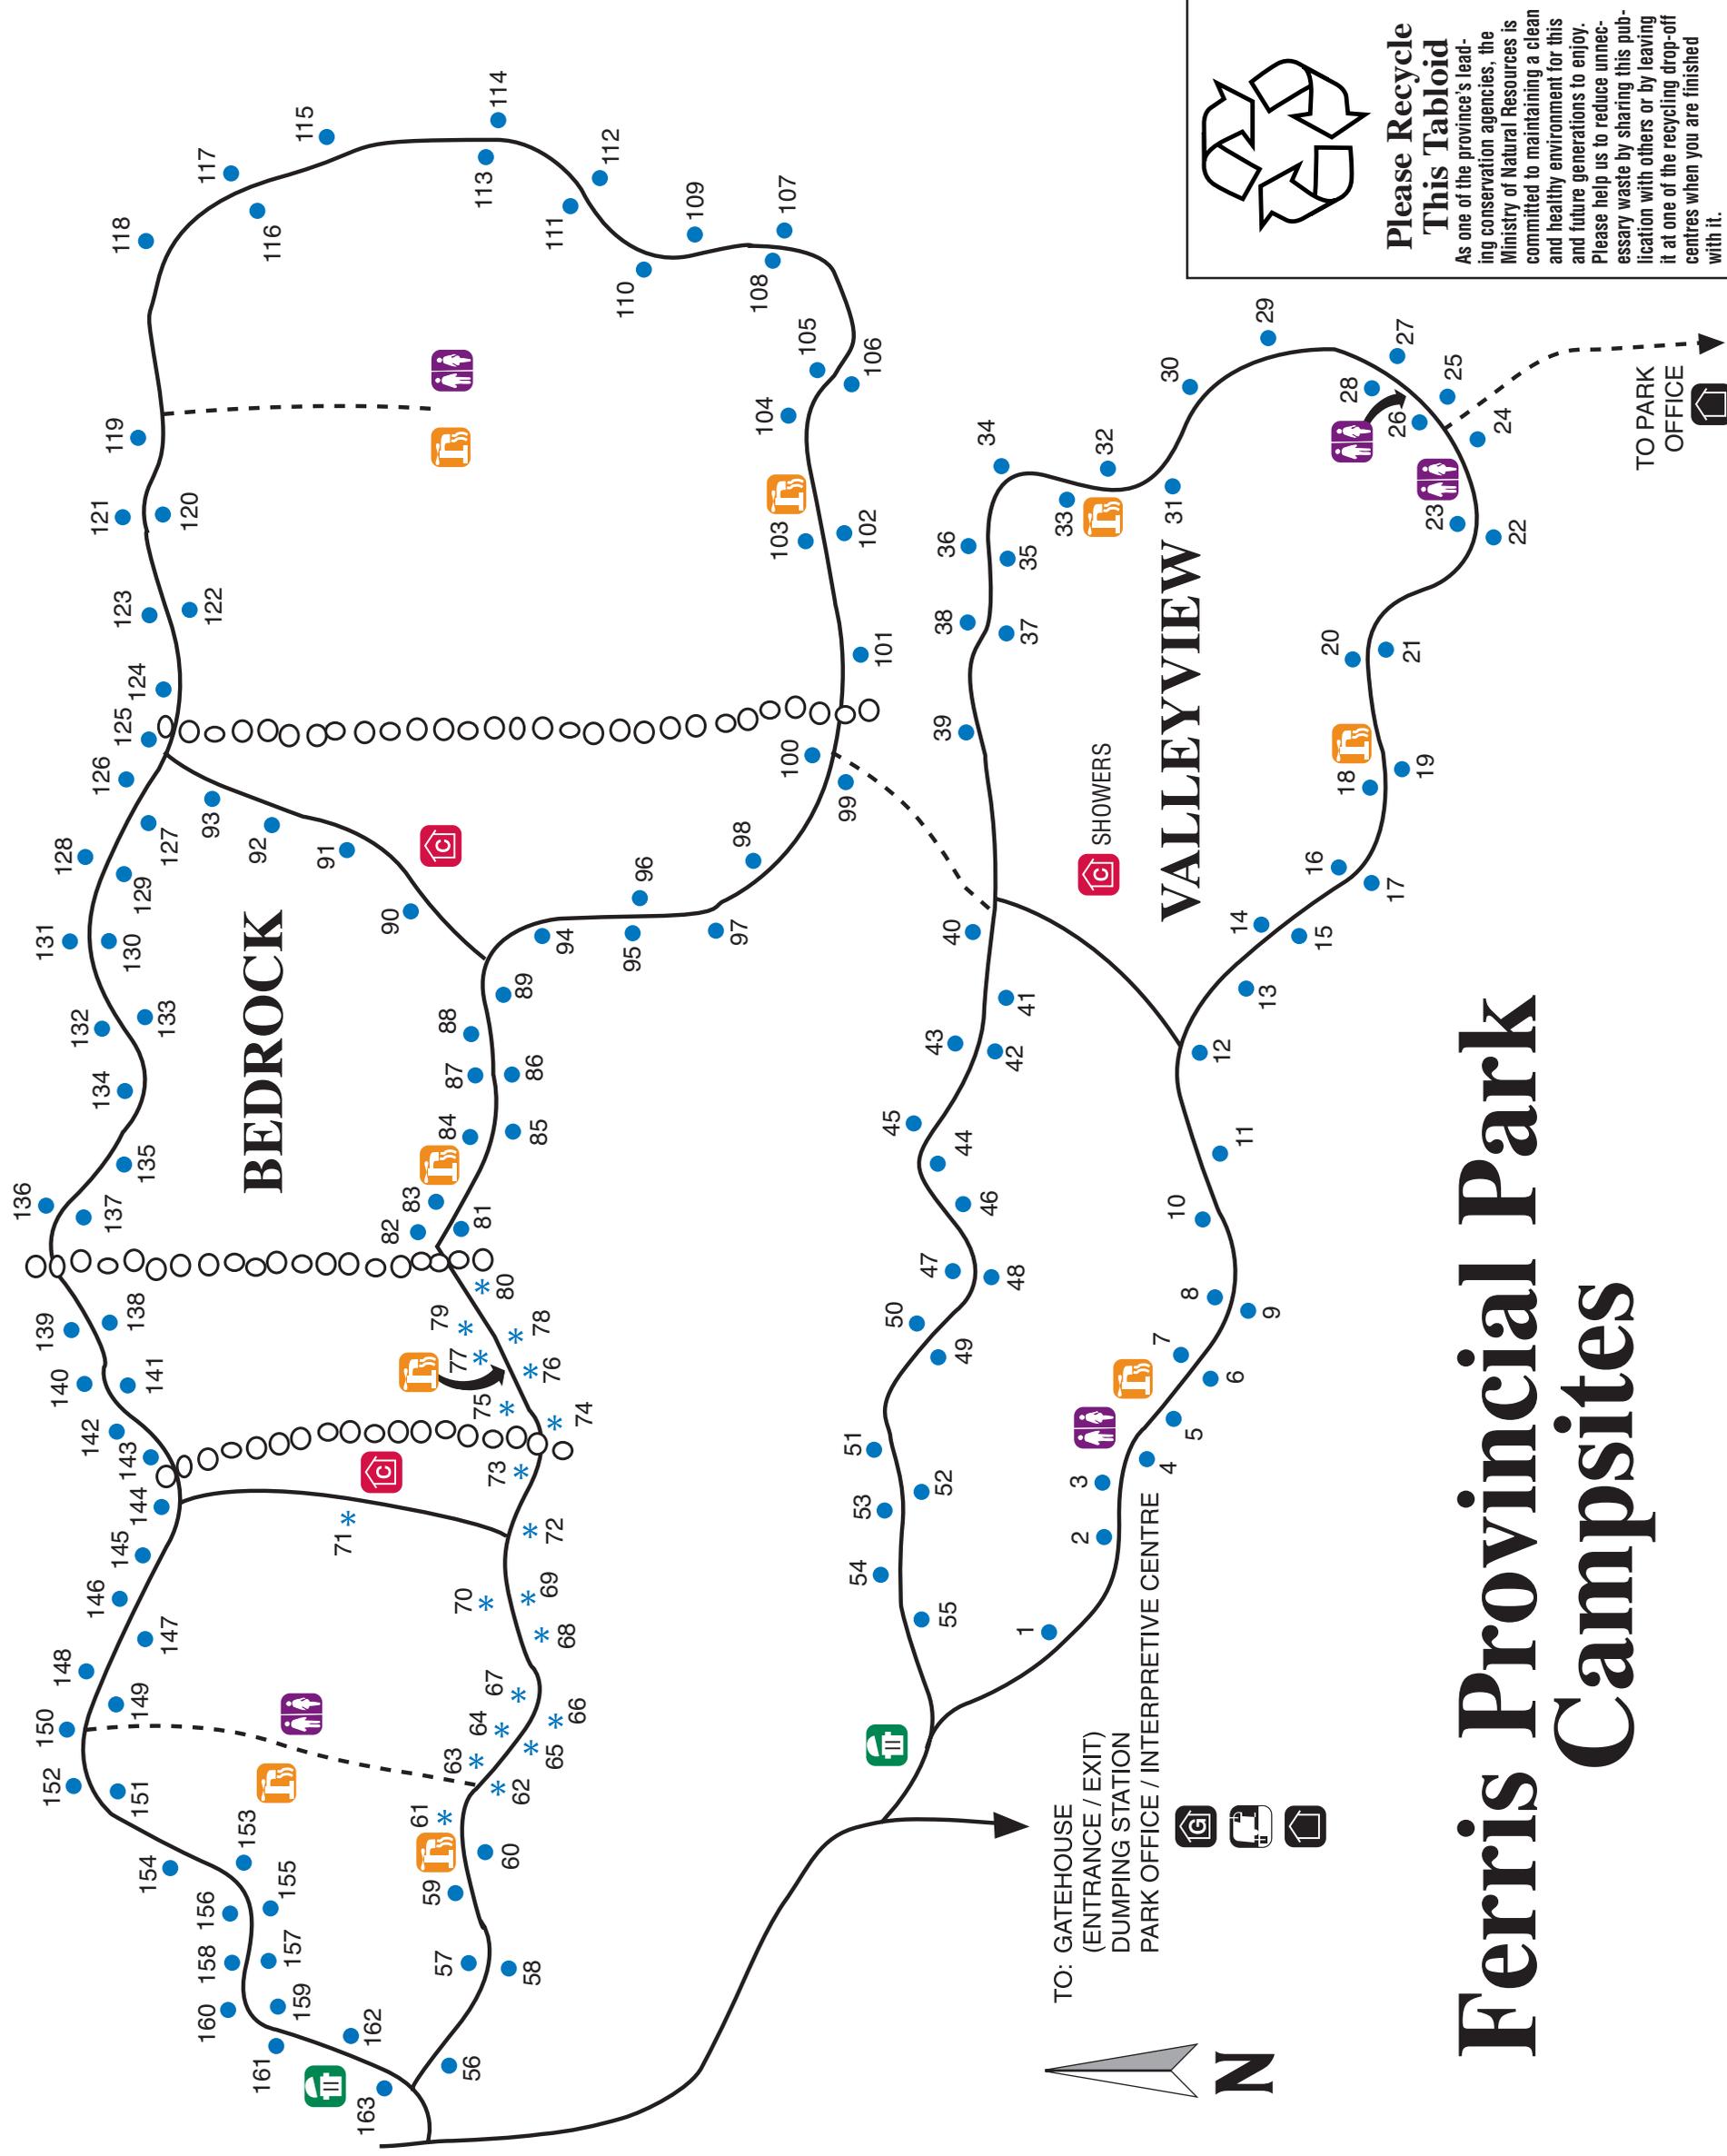

*Additional Swimming Facilities:*

**Lion's Club Beach**, Queen Street North, Campbellford  
 Playground and beach area. Swim at your own risk.

**Seymour Conservation Area**, Highway 30 South (just outside Campbellford)

Rock Quarry. Picnic shelter and numerous trails. Swim at your own risk.

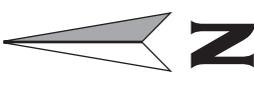

**Crowe Bridge Conservation Area**, follow County Road 38 to Petherick's Corners, go north on Crowe River Road, watch for the signs. Miniature Golf & refreshments available.

**Please Recycle This Tabloid**

As one of the province's leading conservation agencies, the Ministry of Natural Resources is committed to maintaining a clean and healthy environment for this and future generations to enjoy. Please help us to reduce unnecessary waste by sharing this publication with others or by leaving it at one of the recycling drop-off centres when you are finished with it.
